

Zero logins - Any phone camera - Pre-mapped to your fleet - Net 30/60 corporate terms

## Eliminate facility downtime. Scan a cart tag to reorder the exact caster.

When a caster fails, FleetTag turns a breakdown into a 30-second reorder. We map your fleet, ship a durable QR tag for every asset, and route replacements to your corporate account on Net 30/60 terms. Free for qualified manufacturing partners.

**CASTER HEADQUARTERS**  
INDUSTRIAL CASTERS. ENGINEERED FOR SPEC.

### ACCURATE. FAST. APPROVED.

Our replacement program gets you what you need—fast.

#### 1 SCAN & IDENTIFY

- SCAN THE CART TAG**  
Use your phone to scan the CasterHQ tag on your cart.
- WE DO THE REST**  
We identify the correct replacement and take you straight to your cart.

**ACCURATE. VERIFIED. READY TO GO.**

#### 2 REVIEW & SUBMIT

- VERIFY QUANTITY**  
Confirm the quantity you need.
- AUTO-FILLED**  
Your company info and Net 30 terms are already in place.
- SUBMIT**  
Review and hit submit. We'll handle the rest.

**SUBMIT ONCE. WE TAKE IT FROM THERE.**

**SAME-DAY SHIP (NOON CST)**  
Get what you need, when you need it.

**NET-30 TERMS**  
Pre-approved terms for qualified accounts.

**SECURE & COMPLIANT**  
Your data is safe with enterprise-grade security.

**SUPPORT YOU CAN COUNT ON**  
Questions? Our team is here to help.

### Zero friction on the floor

Any phone scans the tag and dispatches a request. No logins, no catalog hunt.

### 100% dimensional accuracy

Pre-mapped to plate, bolt pattern, and stem. Never the wrong part.

### Corporate ERP integration

Routes to AP on Net 30/60 by PO or department ID.

#### BUILT-IN PROCUREMENT CONTROLS & APPROVALS

- Held for your approver's sign-off before we ship
- Duplicate & over-order flagging, held for review
- Auto-approve small / emergency orders if you allow
- Tag-tied quantity caps + full order audit trail
- Department-code gating: only valid codes ship
